

Speech Language Pathology

University of Cincinnati - OOT

TTI, in conjunction with The University of Cincinnati, has arranged a program to enable students to obtain their Master's Degree in Speech Language Pathology and the Certificate of Clinical Competence in Speech-Language Pathology (CCC- SLP) of the American Speech-Language and Hearing Association (ASHA).

Our program includes a prerequisite BSL program and a master's program. Only students who complete the TTI prerequisite program can apply to this master's program.

Prerequisite Bachelor of Science in Liberal Studies Program

Prerequisite BSL Classes

There are 13 prerequisite courses that students must take before entering the fall semester of the graduate program. A grade of B or above is required for all courses with an asterisk:

Phonetics*; Anatomy and Physiology of Voice and Speech Production*; Audiology*; Neurological Foundations*; Speech and Language Development*; Syntax*; Clinical Process or Specific Communication Disorders Course*; Research Methods*; Human Development across the Lifespan*; Physical Science (preferably physics or chemistry); Biological science; Social Science; and Statistics.

These classes are offered via UC online model and TTI zoom classes.

This program and classes are only offered for students out of the NY and NJ area.

Prerequisite Academic Preparation

University of Cincinnati runs on a semester system. The length of each semester is 15-16 weeks. Below are all the CSD courses for the prerequisite program.

Fall Semester

- Audiology 1 (3 cr)
- Anatomy and Physiology of Voice and Speech Production (3 cr)
- Phonetics (3 cr)
- Syntax (1 cr)
