

Accounting

Bachelor of Science in Business
Self Study Program

TTI's fantastic accounting programs prepare students to sit for the NJ or NY State CPA exams, by ensuring that they have the necessary coursework to be eligible. Students can choose from a variety of programs to pursue the degree in the method that best fits their character and lifestyles.

Program Design

In this program, students complete the coursework necessary for a bachelor's degree in business with an accounting concentration, and have the option of obtaining additional credits to reach the 150-credit requirement to sit for the CPA exams.

Fast Facts

- This program is completed through exams that students are responsible to study for on their own.
- Additional online courses are required for the more difficult coursework. Online courses are done at a student's pace, but usually take 6-12 weeks to complete each one.
- This program is primarily for students living out of town, and/or a student that is extremely motivated and capable of studying very difficult material on his/her own.
- On average, most students complete the Bachelor of Science in Business in 2-3 years, with an additional 6-12 months for the accounting component.
- The cost of this program is \$14,000. Financial aid is available for eligible students.
 - To get additional 30 credits and meet licensing requirements in NY, add \$4300.
 - To get additional 30 credits and meet licensing requirements in NJ, add \$1550.

Note: Students can use about 30 credits from seminary, and 45 credits from yeshiva toward this degree.
