

Master's in Business Administration

Excelsior College

With TTI, get a Master's Degree in Business Administration from Excelsior College, one of America's top distance learning colleges. This program is designed for the working adult who wants to develop new skills and expand his/her knowledge to qualify for leadership and management positions. Develop skills in the areas of finance, marketing, management, technology, and organization. Each skill learned is a valuable tool that can be strategically applied to large corporations and small businesses alike.

An MBA opens a variety of doors, especially for those who graduate top of their class. The major advantage for one with an MBA is increased salary and promotion. The objective of the MBA is to improve your job performance, communication skills; develop leadership and management skills; raise your earning potential; help you compete for promotions and prepare you for leadership roles, including business ownership.

Program Design

To complete a Master of Business Administration (MBA) through Excelsior, students can complete 5 pre-requisite courses (15 credits) as part of their Bachelor's degree, and receive a significant discount on their Master's program tuition.
