Master Degree in Accounting

### Program Design

Students complete a Bachelor of Science in Liberal Studies through TTI and then go on to a Master's degree in Accounting with PCS. TTI will include in the student's undergraduate degree 18 credits of business and one accounting exam, as pre-requisites for the PCS master's in accounting. This program is best for Lakewood and Monsey students, as PCS has sites in both locations. The master's program is run through Farleigh Dickinson University.

### Fast Facts
