

Dear Prospective Student,

Thank you for your interest in the Testing and Training International (TTI) OT MA Degree Program in collaboration with NYIT. Our program provides students with the coursework and training to become an occupational therapist. The TTI learning model provides students with a stellar academic experience and the foremost training in this field of study. This exceptional learning experience is provided in an atmosphere that is sensitive to the needs of Orthodox Jewish women.

Attached you will find the TTI application for the OT program. Please complete the application and essays. All questions can be answered in one essay and the entire written submission should not exceed 3 pages. Additionally, each student is required to e-mail a high school or college transcript. **Students must have a high school diploma or college transcript in-hand in order to begin our OT MA program.**

TTI will be reviewing all applications as received and calling selected students for interviews. Qualified students will be accepted on a first-come, first-serve basis until full class-size is reached.

All applications and transcripts must be either faxed or e-mailed. Unofficial transcripts are acceptable. We must have transcripts with your application in order to fully complete the application and interview process. Please e-mail or fax the completed application and HS/college transcript to s.blum@consulttti.com, fax [718-407-2436](tel:718-407-2436). A \$100 non-refundable application fee will be charged by credit card via phone.

Please do not hesitate to contact Sima Blum at 832-203-8645 with further questions or concerns especially regarding transcripts.

Sincerely,

Avigail Plutchok
Program Director

Sima Blum
Administrative Assistant, OT
