

Behavioral Science Bridge Coursework (NYS license qualifying program)

Did you continue your education, complete your fieldwork, and pass the BCBA Exam? Are you interested in working in New York but do not have LBA Licensure? Are you at a loss of how to obtain NY certification as September 1, 2019 has passed and the new regulation are in effect? TTI has partnered with Daemen University which has created a Behavioral Science Bridge Coursework (NYS license qualifying program) enabling you to attain LBA Licensure.

Program Design

Our program, custom designed by Daemen University and TTI, features separate men's and women's cohorts with classes online scheduled around *Yomim Tovim* and the Jewish calendar. This program combines online classes and Practicum fieldwork needed in order to obtain New York State Licensure.

Fast Facts

- Coursework: 4 months
- Rolling admissions for this non-matriculated program
- Classes held entirely online.
- Sensitive and experienced professors.
- Designed for people who live outside/inside of New York State.
- Approximately \$7,000-\$15000 (plus TTI Membership, if applicable.)

ABA Program Prerequisites

- Students will have completed a Master's degree in Education, Psychology, or Behavior Analysis from an accredited college or university.
- Will hold a BCBA[®] from the Behavior Analyst Certification Board
- Students will submit two Graduate Reference Forms
- Students will participate in a personal interview.
- Students will provide a written statement describing personal and educational goals and objectives.
- Students will provide a copy of a current resume, including all certifications and licensures.

Additional Program Requirements

- Students enrolled in the ABA programs must maintain a cumulative grade point average of 3.0 or above (on a 4.00 scale) and must earn at least a 3.0 in all courses.
- The ABA Program Director will notify the Graduate Committee on Academic Standards if a student falls below a 3.0 grade point average.
- Students who receive a course grade below 3.0 may repeat said course one time; failure to achieve a 3.0 on the second attempt will be grounds for academic dismissal.
- The actions of students who engage in academic dishonesty within program coursework will be reviewed by the Graduate Committee on Academic Standards in accordance with Daemen University Policy.
- Students who receive a course grade below 3.0 may repeat said course one time; failure to achieve a 3.0 on the second attempt will be grounds for academic dismissal.
- The actions of students who engage in academic dishonesty within program coursework will be reviewed by the Graduate Committee on Academic Standards in accordance with Daemen University Policy.

Courses Needed

- SED712 Autism Spectrum Disorders (3)
- SED714 Supervised Practicum and Seminar in Applied Behavior Analysis (2)
- SED716 Maintenance of Client Records (3)
- SED718 Issues of Cultural and Ethnic Diversity (3)
