

Accounting

Bachelor of Science in Business with a Concentration in Accounting
 Class-based track with COPE Institute (Brooklyn, NY)

Program Design

Students begin with COPE’s Junior Accounting program which will give them a strong foundation in accounting. This program is class-based and part time, with both day and evening options. Students will earn 21 approved college credits in the Junior Accounting program.

Upon completion of the Junior Accounting program, students can join TTI’s bachelor’s program, run in conjunction with COPE and Daemen University. Students will join an accounting Certificate Program with Daemen University, and will then transfer their credits to complete a Bachelor of Science in Business with an Accounting concentration from Excelsior College. Students will attend on site classes with COPE for their business and accounting requirements of their degree.

To enroll in this program, please contact TTI directly at 877-RING-TTI.

*Note! Some seminary/ yeshiva credits can be applied to this degree.
