

Bachelor of Science in Business
Accounting Concentration
Self-Study Program

TTI's self-study accounting program prepares students to sit for the NJ or NY State CPA exams by ensuring that they have the necessary coursework to be eligible.

Program Design

In this program, students complete the coursework necessary for a bachelor's degree in business with an accounting concentration, and have the option of obtaining additional credits to reach the 150-credit requirement to sit for the CPA exams.

Fast Facts

- This program is completed through exams that students study for on their own.
- Additional online courses are required for the more difficult coursework. Online courses are done at a student's pace, but each one usually take 6-12 weeks to complete.
- This program is primarily for students living out of town, and/or a student that is motivated and capable of studying on his/her own.
- On average, most students complete the Bachelor of Science in Business /Accounting in 2-3 years.
- The cost of this program is \$11,000. Financial aid is available for eligible students.
 - CPA requirements - an additional 30 credits are required at a cost of \$1,550 (NY, NJ)
